Dear Pinnacle Radiology Patient,

This is your registration form for your appointment at **Pinnacle Radiology-TATUM, 18404 North Tatum Blvd. #103 Phoenix, AZ 85032.** Please follow the appropriate preparation for your examination.

This patient registration form and appropriate history forms can be printed, completed and given to us at your appointment. Bringing completed forms will reduce waiting time at your appointment.

If you have visited a Pinnacle Radiology facility in the past 6 months and your information or insurance has not changed, it is not necessary to complete the patient registration form. Please bring your insurance card and any applicable co-pays with you at the time of your appointment. Also, remember to bring your doctors orders if they provided the order to you.

If you have prior studies of the same anatomic area that your appointment is scheduled for, it is very important to arrange for those studies to be available to us for comparison. This includes any CT's, X-rays, or MRI's, even if the test you are currently scheduled for is of a different modality. The best method is to hand carry them if possible, but you can call the facility where the films were done and ask for them to be mailed to the address listed above. Only you can request the release of films due to federal regulations. If you are unsure of the facility, your healthcare provider at that time should be able to tell you where you had prior examinations performed.

If you are unable to keep this appointment, 24 hour notice would be greatly appreciated.

Please call **(602) 485-7482** if you need further instructions.

Sincerely,

The Staff of Pinnacle Radiology

Pinnacle Radiology
